

The Shift®'s Three Key Points

BY BECA LEWIS

Here are **Three Key Points** of The Shift® that will help you shift your perception, and as a result, your life.

I. PERCEPTION RULES — BECAUSE PERCEPTIONS RULE

“Whatever you perceive to be reality magnifies.” The only way to change anything in your life is to shift your perception. No matter how small of a shift of perception — or to what you shift your perception — it will change what appears as your outside world or life.

This is the **real** law of cause and effect. There is no way to stop this law. Perception **does** Rule. It reveals to you only what you think, perceive, and believe to be true. It is always working this way, whether you are conscious of it or not.

The only lasting way to change your life is to **shift your perception**. If you don't believe you can or will — you can't and won't.

This point alone can be used to change anything you wish to in your life.

But it won't last. Why? Because you will have based your life on a human point of view, an inherently ego-based, divided, controlling, duality point of view. The human perception will never, ever, result in *Living in Grace*. The human point of view is limited, and nothing will ever change that.

This leads to the 2nd Key Point

2. MAGNIFY ONLY GOD — GOOD

Although Perception Rules and therefore, *whatever you perceive to be reality magnifies*, it is your choice to choose the perception you wish to magnify in your life. You can choose to magnify any perception or point of view that you desire. So why not choose an unlimited point of view? There is only One unlimited point of view and that One is God.

Some day, some time, you will have to consciously decide to choose the perception that there is a Higher Power, and that Higher Power is God, and that God is the One Mind, Love, the Only, the I Am.

Someday in everyone's life there comes a time they must choose to put *God First*.

Why not now?

Choosing the perception of *God First* means that everything you say, think, or do, is in agreement with the First Commandment, "Thou shalt have no other gods before Me" and the promise that is contained within the statement, "Seek ye first the Kingdom of Heaven and all these things will be added unto you." The choice to put *God First* is not to have things, it is to understand, be conscious of, and be the activity of God. It is the obsessive desire to see, live and think as God.

Choosing *God First* means you choose the perception that God, the only Cause and Creator, has already created all that ever has been or ever will be. You chose the perception that the Earth state-of-mind game is not real, but an illusion.

Choosing *God First* means you agree that there is no other power, no matter what name it calls itself. You agree to no longer give power to this counterfeit power by reacting to it, being interested in it, or listening to its lies.

Choosing *God First* means you agree to live from the Truth that Life is Spiritual, not material.

Choosing *God First* is a new language and a new way of life. When you're totally committed to God First, the Kingdom of Heaven is revealed directly to you.

Choosing *God First* means you will discover that you have always been *Living in Grace*. What was hidden in plain sight stands revealed! Applying this point-of-view everything in life becomes what it really is, unlimited and Grace-full.

Which Leads to the 3rd Key Point.

3. UNDERSTANDING PERCEPTION RULES AND MAGNIFYING ONLY GOD PRODUCES RELATION-SHIFT

A Shift of perception can be fast and easy. Perception-Shifts happen in a split second. They can be an instant simple solution! However, maintaining and sustaining your choice to shift to a Spiritual Perception requires total commitment and unrelenting faith.

It requires that you walk your talk with every relationship in your life. This begins with the awareness that everything is in relationship, and that every relationship is actually internal to you and a relationship with yourself.

What you perceive to be reality magnifies — absolutely!

We practice the choice of *God First* by understanding and acting as if everything is God's activity expressed through the interaction of every element on Earth, symbolized as people, places, and things; from trains, to computers, to sisters, to brothers, between men, women, butterflies and tigers.

When you choose to magnify only God in your life; every Relation–Shift is revealed to be what it always has been — an activity of God. The result is “all things added unto you.”

This is what The Shift® to a Spiritual Perception will do for you. It will keep you in touch with the Truth that you are always and forever *Living in Grace*.
